

WIFT NZ CORPORATE PARTNERSHIP

Women in Film and Television (NZ) Inc. is a not-for-profit incorporated society set up to deliver professional development, networking, and support services to those working in the screen and associated industries in New Zealand, with a particular emphasis on women. WIFT NZ is part of a worldwide network and has been in New Zealand for over thirty years. We currently have over 1,300 individual members and 43 corporate partners.

Companies are invited to support their staff and the work of WIFT NZ by taking up a corporate partnership which costs just \$456 incl. GST per annum for:

a minimum of three individual annual memberships* to be gifted to designated staff, allowing them to enjoy all the professional development, networking, support and discount services enjoyed by WIFT members; access to membership rates for advertising, awards tickets and other WIFT events; and acknowledgment as a WIFT supporter on the WIFT New Zealand website with a live link to your own website.

* corporate membership represents a 5% discount on individual memberships, normally \$160.00 each; for a higher corporate membership fee, further individual memberships can be added based on a 5% discount for up to 10 members, a 10% discount for more than 10 members and 20% for 20 and over.

Join WIFT NZ now and support us to deliver professional development workshops and educational, networking opportunities and events, including the biennial WIFT NZ Awards, advocacy and research, regular news, jobs and industry updates, and membership discounts for a variety of goods and services.

Joining WIFT NZ is a creative way of supporting your staff and sustaining WIFT's efforts to contribute to a robust, vibrant, and outstandingly professional New Zealand screen industry. As a WIFT supporter you get a space to change the world!

Signing up is easy. Call the office on 09 373 4071 or fill in the attached form and email it to us at office@wiftnz.org.nz, to activate your membership.
