

ScreenSafe - COVID 19 Health and Safety Notice

Wellington update

23rd June 2021

With the latest COVID case from Sydney that visited Wellington we must ask that any crew who have been to Sydney or Wellington recently follow the NZ MoH guidelines and notify your HOD and/or the Production Team.

It is a requirement of the Production to have all personnel who were in Wellington from Saturday 19th June notify the production or safety team.

Anyone in New Zealand who was at Westfield Bondi Junction (including the car park) in Sydney's Bondi Junction at any time between 12 June and 18 June should contact Healthline on 0800 358 5453, get tested and stay at home until they get a negative test result, or remain isolated if instructed.

Flight	Date	Departure	Arrival
QF163 (Qantas)	18 June 2021	Sydney at 7:05pm (AEDT)	Wellington on 19 June 2021 at 12:12am (NZT)
NZ247 (Air New Zealand)	21 June 2021	Wellington at 10:13am (NZT)	Sydney at 11:33am (AEDT)

If you were on the Wellington-bound flight, you must immediately: isolate at your home or accommodation, and call Healthline on 0800 358 5453 for advice on testing and isolating.

Australian health authorities will be contacting those on the return flight to Sydney to provide advice about testing and isolation.

The Ministry of Health reminds everyone to please remain vigilant and stick to the basics: stay home if unwell and get advice about having a test, wash hands regularly, cough and sneeze into the elbow, wear masks or face coverings on all public transport, and keep track of where you've been – scan QR codes wherever you go and turn on Bluetooth tracing in the app dashboard.
